Between Embers (Lost Kings MC #5.5): A Companion To White Heat: Three Short Stories

Synopsis

If you were wondering what some of the other LOKI men were up to during Rock and Hope's wedding, this is your chance to find out. *Between Embers* (Lost Kings MC 5.5) is a collection of three short stories, approximately 25,000 words. This is intended to be a companion piece to *White Heat* (Lost Kings MC #5). If you do not enjoy reading similar scenes from a different character's point of view, then please skip this. However, if you were curious about what Teller was doing the morning of the wedding. What Murphy and Heidi talked about when she arrived at the clubhouse, or how Z and Lilly spent the night, I think you'll enjoy *Between Embers*. At the end, you'll find an exclusive excerpt from *More Than Miles* (Lost Kings MC #6) which will be available on August 16, 2016.

Customer Reviews

What a great "bonus" read that gives a little more insight into the minds of three sexy bad ass bikers of the Lost Kings MC. There's a teaser story of Murphy and Heidi which I loved and got me wondering who Autumn Jones Lake will pick to be Heidi's first? LOL! Murphy? Axel? Or maybe someone else? In Teller's story I was a bit surprised that he still had some doubts about Hope's sincerity when it came to how she felt about the club and its members and if she was going to

remain genuine after the wedding. Lastly you get a bit of Z and Lilly's story that's leaves you wondering, will she take the plunge and finally commit? Great characters and story lines that I can't wait to read more about!

This was such a good novella. It was fun to see Rock and Hope's wedding day from Teller, Heidi and Murphy and Z and Lilly's perspectives. It makes me even more eager for Murphy's book and Z and Lilly's book. You need to read *White Heat* prior to reading this book to understand what is happening in this book. If you love all things LOKI then you will want to add this novella to your collection.

Can't tell you how much I love these short stories from the Lost Kings universe. I don't think I'll ever get tired of reading about these bada**ss bikers and the ladies they love!

Teller Short Story - What can I say about Teller, other than he has been a big mystery. I've always felt like there is something special about Teller and he has the ability to steal my heart from Z (shh, don't tell) and I love this story. We finally get to see a glimpse of Teller we have never seen. All I have to say is this boy is going to break my heart, I just know it and it makes me excited for his story.

Murphy Short Story - Poor tortured Murphy and believe me when I say that's huge coming from me, who has never been a big fan of Murphy. This guy has been stuck in love with a woman he can not have and let's just say he didn't handle the situation well for years and all his misdeeds have come back to bite him in the behind. Will see if Murphy will continue his destructive ways or can he finally make peace with his past.

Z Short Story - Z is my boy. He currently owns my Lost King heart and I could read about this man all day. Z has finally found the woman he is willing to settle down with. All Z wants is Lilly and it seems all Lilly wants to do is run. Z and Lilly really are perfect for each other, but Lilly seems to only have insecurities when it comes to Z. Their relationship is all push and pull, with Lilly doing more pushing than pulling. Z's going to have his work cut out on making Lilly his. Hey Z, I volunteer for tribute!

This is not a stand-alone book. You will need to have read the series in order to appreciate and understand what is happening.

Between Embers is a delightful treat with three short stories featuring Teller and Mariella, Murphy Heidi and Axel, and Z and Lilly! Anyone who is a fan of the LOKI must read this extra slice of delight! While Rock and Heidi are preparing for their wedding, the LOKI is alive with action, romance, and of course drama. As the MC brothers adjust to the addition of an Ol' Lady, each character braces for change and finds solace in each other. Told in multiple POV, *Between Embers*

showcases intimate moments between the characters that are expertly captured through short scenes and interludes between a small group of characters. This additional perspective offers deeper insight into the plot of the series and reveals a more emotional side of each character. I thoroughly enjoyed these BONUS moments and highly recommend this novella to all LOKI fans! I do not recommend reading this as a stand-alone as you will not quite understand the significance of the events taking place. However, if you are wanting a taste of Autumn Jones Lake writing, then you don't have to worry about any major spoilers by jumping ahead and reading this novella. Just know that not every piece of the puzzle will fit perfectly for you. In short, if you haven't had the chance to meet the men of the LOKI, don't waste another second! Get your KINDLE ready and download these bad boys now! You will certainly NOT be disappointed!

WOW, THIS WAS SO GOOD. I LOVE THE INSIGHT TO WHAT EACH MEMBER WAS DOING DURING THE WEDDING. WE GET TO SEE MORE OF TELLER, AND THERE IS SO MUCH MORE TO TELLER, HE IS DEEP AND HAS THE HEART I LOVE. I CANT WAIT TO SEE WHERE THINGS GO WITH HIM AND MARIELLA. MURPHY.....OH MURPHY AND HEIDI. THERE IS SO MUCH LONGING AND GROWING FEELINGS BETWEEN THESE TWO. AND SOME VERY SWEET MOMENTS, I DONT WANT TO RUIN IN MY REVIEW, BUT MURPHY MELTED ME, AND AXEL CRACKED ME UP WITH HIS RESPONSE TO ONE OF THE MOMENTS. Z AND LILLY.....OH MY....THESE TWO ARE OFF THE CHARTS. THE CHEMISTRY THESE TWO HAVE WITH EACH OTHER IS UNBELIEVABLY HOT AND SEXY. I THINK Z IS FINALLY AT THE POINT WHERE HES READY FOR SOMETHING MORE OF WHAT ROCK AND HOPE HAS.....HE JUST NEEDS TO CONVINCE LILLY SHES THE GIRL FOR HIM TO DO IT WITH. THESE SHORT STORIES ARE SO GOOD AND LEFT ME NEEDING MORE AND I CANT WAIT FOR ALL OF EACH OF MEMBERS BOOK. THE GUYS LOVE FOR EACH OTHER AND BANTER WITH ONE ANOTHER ALWAYS CRACKS ME UP, I LOVE THIS SERIES. OH AND WE NEED MORE DEX!!!!
