Kovels' Antiques And Collectibles Price Guide 2017

Synopsis

The 49th edition of Kovels', the leading antiques price guide, includes 25,000 listings and more than 2,500 full-color photographs. Kovels' is the most complete and best-illustrated price guide available, from the most trusted name in the industry. It features exceptionally well-organized, wide-ranging, up-to-the-minute information, and includes more tips, marks, logos, and photographs than any other competitive title. Kovels' is the only guide with prices based on actual sales from the previous calendar year, never estimates. Unlike other guides, which focus almost exclusively on English or high-priced items Kovels' covers all American and international items. The book is organized by categories most sought-after by collectors, including Depression Glass, Dolls, Jewelry, Furniture, Porcelain, and Sports Memorabilia. Indexes, cross-references, and expert commentary throughout empower readers to collect with confidence and price their own antiques.
