Switched--Brides Of The Kindred 17: (Alien Scifi BBW Romance)

Synopsis

Brides of the Kindred # 17 A warrior with a talent that could get him killed A girl transported to a new existence with no warning When the two of them trade lives, it places them in mortal peril. Not to mention really screwing up their love lives! Will they ever be able to get back in their rightful bodies? Or have they been forever... Switched? What happens when you wake up in someone else's body? And what if that someone happens to be a huge, hot, Alien warrior? Frankie is about to find out... the hard way. Kerov knows his people used to have the ability to Switch bodies with their bonded mates, but he has no idea who the girl in his head is. And the fact that she's controlling his body goes beyond awkward... it could be lethal if anyone finds out. On his home planet of Tarsia, Switching is a crime punishable by death. But there are worse things than dying as he finds out when he gets stuck in Frankie's body as well. What is a Brazilian bikini wax anyway? And why does he have to remove his pants to get one? Will Frankie and Kerov ever get back to their own bodies? And what do the steamy dreams they've been sharing have to do with their destinies? You'll have to read Switched, Brides of the Kindred 17, to find out.

Customer Reviews

Evangeline Anderson is a genius, what more does anyone need to know? Switched is the 17th book in the Kindred Bride Series by talented author, Evangeline Anderson. This series is well worth the read from the first book to the latest instalment. Switched is a very easy read and contains such a well written storyline that even if this is the first book you have read you won't get lost. The sexual content is hot and steamy, but not over the top to take away from the storyline. Some characters are easier to fall in love with than others, and that's what happened for me with Kerov and Frankie. They are adorable, feisty, endearing and the list goes on. I love the chemistry between them and how the whole storyline unfolds. Kerov is our sexy Kindred living on Tarsian with their rules in society. The rules are the opposite of how a Kindred should live, but not knowing any different Kerov is forced to live half a life and go against every instinct he has. The Tarsian society do not believe in emotion and put their security at very top to everything else. They control the relationships to such a point they assign someone to be your partner and hold beliefs that all intimacy is for deviants only. Frankie is a hot blooded Latin woman who is pestered constantly by her family to get back with her ex who is cold hearted and only thinks of himself. She truly comes alive in this story as she lives of herself and Kerov are literally switched around. They endure the most un-hostile situations but manage to flourish all the way through. We also see many of our old favourites, like Kate and Rone, Sylvan, Sophia and Kate and not to mention some old foes in the form of Two.
