Customer Reviews

This arrived speedily and in excellent condition. It was everything the reviews said it would be and I would recommend this book to others who need help when doing bar duty for a dinner party.

Good book. Gives you all the details you need to have a stocked home bar. Now me and my friend have a lot of drinks to try!

My husband loves to pass this around and create whatever everyone wants to try. There are way too many drinks in this that are simply smoothies with no alcohol and some drinks that made everyone sick (watch out for Anti-Freeze!). However, we have had lots of fun and the drinks are

great.
