Customer Reviews

Dirty Vows Book Five In The Beautifully Dirty Series finds us celebrating The Wedding of Cooper Brewis to Ansley Young. Cooper & Ansley have always been best friends and always thought that is what they always would be but fate showed them that the love they had for one another was so much stronger. We get to enjoy all the fun leading up to the wedding. The times spent with their closet friends, The Bachelor & The Bachelorette Parties and the love that Cooper's family shows Ansley. We have been cheering for this couple from Book One and to watch them finally find that

HEA is truly Heartwarming.

Yes more Cooper! I fell in love with these characters a long time ago In Dirty Friends! I was excited to see Coop and Ans getting married (Not really since I am in love with Cooper) I absolutely Love drunk Ans! Their wedding was beautiful! (Well the one in my Imagination) If you love the Beautifully Dirty Series then you definitely must read! Can't wait to read more in this series!

A little flirty, a little dirty, and a whole lot of family & friends kicking it up with bachelor and bachelorette parties and all the other traditional events surrounding the nuptials. So many times I found myself laughing out loud at the antics of Ansley, Cooper and all of their friends. It was nice to see a romantic side to Cooper - Paige Steele was able to portray the depth of his feelings for Ansley with such vivid detail that there were times when I felt as though I were intruding on their moments. The love of family was felt throughout the book and I can't wait to see where this group of friends will end up next and who they will end up with. On the track of life, there are turns and there are bumps, but when we decide to jump, the ride is so worth it!
