Lo que me gusta más de este libro es su brevedad. Los otros son tan grandes y complejos que me quitan el ánimo para estudiarlos. Este libro tiene todo lo que uno necesita saber, fácil y rápido. Y viene con un audio CD para escuchar la pronunciación correcta. Muy útil y barato.

Highly recommend it! My mother would listen to it while cooking and doing dishes in the kitchen. She passed the test the second time around (she was asked a question that I didn't even know the answer to plus she was nervous!) It also comes with a book that you can read and quiz yourself. I

even bought one for my aunt.

My relatives found this book incredibly helpful, especially since it has the English word pronunciation written phonetically in Spanish. Mis familiares usaron este libro para poder pasar el examen de ciudadanía. Las palabras en inglés están escritas en español para poder practicar tu pronunciación.

I purchased this book for a close relative, come to find out: This version is outdated! Do not recommend it....

this tool has been so helpful to my mother. She has been able to get through this several times and she feels so well prepared. highly recommend

It's ok but check that the answers are up to date.

This was a great book. I used it for an ESL/Civics class I taught for Spanish speakers and my students enjoyed being able to read it in Spanish as well as English. I would recommend it.

It is an inexpensive, easy, and helpful way to learn the 100 questions for Latinos, mainly because of pronunciation in Spanish and having a CD that can be used in travel and at home.
