Confessions Of The Mistress (Extreme Romance)

Synopsis

Enya is a 25-year-old girl who was recommended by her childhood friend, for a live-in helper's job in Kingston. She was happy to have been offered the job because she thought it would be good for her ambitions of getting a good education and starting a business. Upon arrival at the posh house of her employers, Enya became a hit with the affable couple. They liked her personality, her cooking, her considerateness, her intelligence and her humility. Little did they know that they had employed an undersexed girl with an insatiable appetite. This story is an engaging account of the catastrophic consequences that have resulted from unforced infidelity. It is filled with surprising story elements that will keep you locked from the start to the finish. Confessions of the Mistress (Accidental Commitment) is the first in an intriguing trilogy.
