Absence: Erotic Poetry - Extruded Through Lust

Synopsis

Join PJ Bayliss in his personal journey & exploration of sexuality through this compilation of poetry & memoirs themed around lust, passion & romance. This is the second book, following "Burnt", within a series and features modern romance poetry that varies from BDSM & Kinky, to Classy & Romantic. Readers will be enticed to enter the world of devilish decadence and saucy seduction by the writer who paints a vivid picture of modern sexuality.

Customer Reviews

Sometimes more interesting than exciting, but that did nothing to lessen my enjoyment of the collection. I think the word 'erotic' in the title may have given me false expectations. These poems are about sex -- every strange, beautiful, passionate and awkward aspect of sex. That doesn't necessarily make them 'sexy'. I loved just how many different niches of the human sexual experience are represented here. So many fetishes -- many of them criminally under-represented in modern poetry -- so many pairings and voices and outlooks... One of my favorite poems, in fact, was "In My Gimp", which is about exactly what you think it is. Others tackled the subject of imaginary lovers, morning-wood, and sex while tandem sky-diving (oddly enough, also a favorite). I did find the poetry itself to be a little awkward from time to time, with regards to how far imagery can reasonably stretch, and quite often it seemed like word-choice made some heavy-handed sacrifices in the interest of rhyming. At its best, it reminded me of Lou Reed's earliest lyrics; cheesy and entertaining, turning somersaults in the interest of fitting the rhyme scheme. A very comprehensive, enjoyable, not-exactly-erotic collection of poems, well worth your attention.

Sensual and full of erotic imagery. PJ Bayliss takes you on a journey through the deepest corners of lust in this titillating and thought provoking read. Fantastic!

What an amazing author. He keeps me reading. I want more.

I loved the erotic poetry of PJ Bayliss. His use of figurative language (imagery, metaphor, and such) really brings meanings to his poems. Some of the poems are just erotic in nature while most are erotic loves poems. I do recommend this book to people who enjoy erotica, but remember it is poetry. I found the poems so much better when I slowed down and read them aloud. The poems, like all poetry, are meant to be heard (hence the rhythmic patterns).

I love everything he writes .
